____ THE PRODUCTION

A royal decree! No women.
No distractions. Just three years
devoted to intense study.

The King and his companions
are building an academic
paradise. But will their
scholarly resolutions last
when the Princess of France
and her entourage arrive on
the Island? With secret love
letters and mistaken identities,
Shakespeare's comedy is
transported to a tropical island
villa - where our characters ask
what truly matters: knowledge
from a book or the lessons
of love?
