\* Applicants over the age of 23 - You will need to provide details of your own income.

\*\* Applicants under the age of 23 - There are a number of reasons why applicants under the age of 23 are unable to provide the household income of a parent or guardian. It may be that you are estranged from your parent or guardian i.e. that you do not have contact with them, or that you are, or have recently been, looked after by the state. It may be that your parents are no longer alive. If any of these apply to you, please provide details of your own income and let us know the reason why below (strike through the correct option)

- I am estranged from my parent or guardian
- My parents are no longer alive
- I am, or have recently been, looked after by the state

You may use the space below for any further information which you would like us to consider, or to provide further explanation regarding the income provided on the previous page.

Please confirm which evidence you have included with your application (strike through all that apply).

- Personal or parental P60s
- Confirmation of income-related benefit payments (eg Jobseeker's Allowance, Disability allowance, Income Support)
- Evidence of tax return from the financial year 2023

I declare that to the best of my knowledge and belief that all of the information provided is true and I have given a full statement of my household income from all sources during the periods shown.

I understand that I could be asked to provide further evidence to support the above financial information and that giving false information may lead to myself/my child being disqualified from receiving an application fee waiver.
