

Hello,

We are producing a TV commercial for a radio station and are looking for three lads who love slagging each other and having the craic!

We are inviting individuals, small groups and couples to apply but are VERY keen to talk to real groups of friends - Either with acting experience or first timers who just want to have a laugh with their friends.

It's all about having fun and getting that banter across to us!

Early to mid 20's

Natural performance. Should be comfortable in front of the camera but experience is not required.
