

Alumni Access The Lir wishes to support all its graduates and we will endeavor to facilitate all requests where possible but obviously some limitations on access need to be made. As such we have drawn up the following structure to be put in place. Please be aware that as you are now graduates of The Lir Academy your status as a Trinity student changes. This means you no longer have the same type of access to The Lir as you did when you were students. You should no longer be accessing The Lir and its facilities without prior consent. Access must be arranged through venuehire@thelir.ie or Admin Office in advance. It is important that all requests for access to the building be made officially for security and insurance reasons.

The Lir will support you all where it can, and we have drawn up the following outlines and agreements to do so. All access is subject to availability and The Lir will endeavor to hold at least one rehearsal space for Lir Alumni for Fringe show rehearsals each year. Special rates will be offered to Lir Alumni under the following circumstances: The lead artist and/or a significant number of cast or crew on the production must be Lir alumni to qualify for reduced rates.

- If the alumni have graduated in the last year one rehearsal booking free of charge will be considered.
- If the alumni have graduated in the past two years a 25% discount will be considered.
- If the alumni have graduated in the past 3 years a 10% discount will be considered.
- If the alumni graduated over 3 years ago a discount is not offered.

How to request access:

Alumni should contact venuehire@thelir.ie to request the use of any spaces for rehearsals, auditions, shows, research, individual, project work or for any other reasons.

- Access to any of The Lir's equipment or fire alarm panel should be sought through barry.conway@thelir.ie via your company's production manager.
- Access to any of The Lir's sets, costumes or props should be sought through barry.conway@thelir.ie via your company's stage manager.
- Access to The Lir's resource room, library or archive should be sought through The Lir Admin Office (info@thelir.ie). When requesting access to The Lir please make sure to state what production you are working on, what company you are working with and let us know what graduates or students are involved in the production and their roles. Due to insurance reasons access to the workshops and machinery cannot be granted to alumni.
